

Year 5 Summer term 2 Home Learning activities

Please ensure that on alternate weeks the home learning question is answered in a written format.

<p><i>Some of the activities are related to upcoming events. I would suggest to complete each activity as the event arises.</i></p>	Date completed	<p>What someone at home thought (Please comment on how your child answered the question)</p>	<p>What I thought   </p>	<p>What my teacher thought   </p>	<p>What my learning partner   </p>
<p>What would happen if you were to meet your very own 'Stig of the dump in Ware?'</p> <p><i>Could you... write a narrative... carry out an interview... write a newspaper article... or something else?</i></p>					
<p>How does the heart work?</p> <p><i>Could you explain the circulatory system... draw a diagram... write an information text... or something else?</i></p>					
<p>How did Stonehenge get there? How was it made?</p> <p><i>Could you write an information text...explain your personal theory... make a model... interview a stone Age man... or something else?</i></p>					
<p>How could you raise awareness for Den Day? (29th May - 6th June)</p> <p><i>Could you design and perform a TV advert... design and create a poster ... do a comic strip... or something else?</i></p>					
<p>How do you keep healthy?</p> <p><i>Could you explain the effects of exercise, diet and lifestyle... find a healthy recipe... or something else?</i></p>					
<p>What effect does exercise have on your heart rate?</p> <p><i>Could you carry out an experiment... design a booklet... monitor your heart rate... or somethingelse?</i></p>
