

# What makes us different...?

Talk to your friends about how we show respect for one another's opinion.....

Consider  
other  
people's  
feelings

Listen to  
one  
another

Don't be  
negative about  
other people's  
views, be  
positive about  
your own!

Stop calling  
each-other  
names; it makes  
everyone angry  
and makes  
everything  
worse!
