

Problem Solving Week (KS1)

Name: _____

Class: _____

Here are your problems to complete, remember to show us your workings on this piece of paper.

The digits below can only be used once in each calculation. There can only be 1 digit per box and each box must be filled.

0 1 2 3 4 5 6 7 8 9

Complete the following calculations in as many different ways as possible.

$$\square \square = \square + \square$$

$$\square + \square = \square + \square$$

$$\square \times \square = \square \square$$

Please ensure your entry is returned to your teacher by 30th of March, prizes will be given out in assembly on the 31st of March.
