

PE and School Sport Action Plan 2017-2018

Priority 1: Develop an effective assessment system for PE	Priority Target: Assess pupils' progress in PE in order to ensure progression	Priority coordinator: MS
---	---	--------------------------

Objective	Actions and IMPACT	Person/s Responsible	Success Criteria	Monitoring (dated)	Evaluation	Resource Implication
Use summative assessment in PE lessons	Teachers to assess children informally during PE lessons. Chn will know how they can progress further and take ownership of their PE learning.	All teachers	Teachers will identify chn's next steps	Subject leaders will carry out termly learning walks across the year groups (not each year each term) to support staff with summative assessment		No new resources should be needed except maybe for visual sorting of chn or handing out 'rewards' such as beanbags or 'treasure'.
	Teachers to encourage chn to self-assess. This will develop chn's awareness of their PE skills and how to progress.		Chn will be aware of their next steps			
	Subject leader to carry out informal learning walks to look at the use of summative assessment. This will help staff to develop good practice.	Subject leaders				
Use formative assessment to assess and track pupils' progress	Teachers to update Flic half-termly to track pupils' progress in PE. This will help teachers understand how to help chn progress.	Teachers	Assessments will be up-to-date on flic at the end of every term	Flic assessments will be looked at by subject leaders at the end of every term		Flic package is paid for already
	Subject leaders to look at data on Flic and monitor progress of target children. They will be able to track progression of PE skills across the school and address any areas of concern.	Subject leaders	Teachers will know what their new cohort can already do			
	In September 2018, teachers to look at data from their new cohort. Teachers will be able to understand their levels and ensure progression	Teachers
